A Word to the Applicant

The Manual of the Church of the Nazarene is specific and clear in the matter of educating those called into ministry. We believe a call to ministry is a "call to prepare." It is to your benefit to read the sections in the MANUAL on "Call and Qualifications of the Minister"; "Categories and Roles of Ministry"; "Education for Ministers" and "Credentials and Ministerial Regulations."

There are many resources, course descriptions, and helps at the Church of the Nazarene Website devoted to Clergy Development: nazarenepastor.org.

The purpose of the Ministerial Studies Board is to encourage the student in every phase of the Course of Study process. Make it easier for them by keeping in constant communication with the Secretary of this Board and your assigned Advisor as well.

The Board of Ministerial Studies advises the student to keep copies of all student records. The student is responsible for keeping copies of his/her own files. The Board of Ministerial Study works hard to maintain accurate and complete files on all students but mistakes can happen. Should a record become lost, the student will only receive credit for those courses which they can verify they have taken.

The Board of Ministerial Study will make every reasonable effort to keep students informed of changes in the courses or in course requirements when they occur. However, it is the student's responsibility to stay current on all such changes.

After the enrollment is processed, the student will be assigned an advisor. Once an advisor is assigned, the student agrees to contact that advisor at least once per quarter. The student is expected to make this contact whether, or not, he/she is actively involved in a course.
